YOUR WEDDING MUSIC

Suggestions and form for choice of Wedding Music

Name of Bride & Groom

Date & time of wedding

Contact no.(s) and e-mail address

With your wedding coming up here are some suggestions to help you plan your music though we are happy to consider other requests.

Please do let us know your music choices at an early date. Come and talk to us if you like - especially if you are having a Choir.

You are welcome to see us after the 9-30am Sunday service (but not the 4th Sunday in the Month) and sometimes 6-30pm Evensong.

Occasionally we have time off. Please make contact beforehand if you need to be sure, otherwise you are welcome to try and catch us before we leave after any service.

Please plan the music well in advance and try to have final details to us (if possible with a draft order of service if they are being printed) at least one month beforehand.

If the Choir are required please make contact at an early date with our **Choir Director Judith Reynolds** at **judith@judithreynolds.freeserve.co.uk** tel; **01404 812527**. This is especially important as we have many weddings booked and the Choir plan their music and commitments many months in advance.

SUGGESTIONS

Beforehand:

A selection of music will be played while people are gathering before the service (Please note if anything specific is required) although there will be no organ music if the bells are to be rung beforehand (as the two do not sound well together) except at the entry of the bride.

At The Entry of the Bride (NB It only takes about 45 seconds to walk up the aisle – even slowly - therefore a short soundbite is all there is time for. Trumpet Tunes work well.)
